

Contributions to a Bibliography of Arlington County, II

Compiled by GEORGE E. PETTENGILL

This list continues that begun in the *Arlington Historical Magazine*, volume 1, number 3, for October 1959, to which the reader is referred for details of its scope. In addition it should be noted that articles in newspapers have not been included nor listings of individual maps. This list by no means exhausts the available material, and future installments are contemplated, for which the compiler would welcome suggestions.
