Dear Jane Anne

I was very glad to receive the issue of "Postscript." I see I not exactly the forgotten man after all. Stanley Leizear's brother Francis is in the the same Company as I am & I know he'll also enjoy reading the copy. At last I have a knowledge of where some of the old classmates are. When I first hit Africa the end of last year it was very interesting but now its just heat, dust, bugs. I'm not allowed to say what type of work I'm doing but maybe you can draw your conclusion from the type of Bn. I'm in. I hope before too many years pass I'll be back in the States (pessimist) There's not much more room so I'll close here ~
