Dear Miss Loving,

Droping a few lines to find out how you are. I'm well and okay. And hope you the same. Received your nice card the other day. Well Miss Loving I guess you had a nice Xmas and new year, and I guess you all had a right long vacation didn't you. Boy I really missed being home this year. But it wasn't so bad. How is everything getting along at school now. Well I guess last call will be starting now. Miss Loving excuse the short letter but the best I can do now. So write me soon.

Love,

Edward M. Moody S1/c
