Dear Miss Loving,

Hello again. Finally have a little time to settle down and write. Am having a very fine time in England. Running down to London most every week and having a big time. Visited all the places in London such as Buckingham Palace, Lower Tower Bridge, London Bridge, Big Ben, Houses of Parliament, Trafalgar Sq., Picadilly, etc. Really is a nice town. Lots of Beautiful women too.

Received your latest edition of Post Script and was very sorry to hear about Gilly. Makes you kind of feel funny when you know the person.

Heard from Elgin Kirby and he is in the South Pacific.

Love ,

Hut-Sut
